Our Mission

The Phi Sigma Rho Foundation exists to promote social responsibility, personal integrity, and lifelong enrichment by providing professional, educational, philanthropic, and leadership development opportunities for the members and friends of Phi Sigma Rho.

Our Vision

Advancement of Phi Sigma Rho Sorority and its community through the encouragement of selfless giving.

Our Motto

Building the future, together.

Dear Sisters & Friends

As I reflect on the past year, I am filled with immense pride for all that the Phi Sigma Rho Foundation has accomplished. Through your unwavering support and dedication to our mission, we have empowered our sisters on their journeys of personal and professional growth.

2023 was a year of remarkable achievements. We saw strong application rates for our scholarship and grant programs, providing increased financial assistance to deserving Phi Rhos pursuing their educational dreams. It was wonderful being in North Chicago with everyone at the National Convention and watching the exemplary women who graced the Women in Industry panel, which the LEAP Grant was able to fund. The positive feedback and enthusiastic participation in these programs solidify our commitment to providing valuable resources for our sisterhood. Looking ahead, we are brimming with excitement for the future. We plan to further refine our programs, explore innovative ways to connect with our members, and make an even greater impact on women in engineering and technology around us through our mission.

None of this would be possible without the dedication of our incredible Board of Directors, volunteers, and, most importantly, each and every one of you, our dedicated donors and Phi Rho sisters. Thank you for believing in our mission and for investing in the future of Phi Sigma Rho. Together, we are building a legacy of empowerment, leadership, and service.

With Phi Rho Love,

Janelle Becker

“I would like to take this opportunity to express my gratitude towards the people who make this scholarship possible. Your generosity and support will allow me to continue to nourish my education as it eases the financial burden for me and my family. My mom has raised my sister and I as a single mother without support. She is now battling various health issues, all while trying to provide for my sister and I. Receiving this scholarship means a lot to me because I have always valued the importance of hard work and it takes a lot of stress off my mom and me. This scholarship will allow me to maximize my college experience through service-learning, volunteer opportunities, and internships. I have always been passionate about helping others in any way possible. I am excited about my college experience because I know there are a number of educational and extracurricular opportunities that will allow me to grow. I plan to continue to work hard in school so that I can graduate and get a job to help my family. This truly means a lot to me as I am passionate about engineering and love learning new things every day.”

Sarah Rogers McClure Memorial Scholarship

JUDY CHEN

University of Colorado, Boulder - Alpha Mu

“I would like to express my sincere gratitude to you for making the Anne Louise Roach Legacy scholarship possible. I was thrilled to learn of my selection for this honor, and I am deeply appreciative of your support. I am a rising junior with a chemical engineering major

and minor in computer science; I hope to become a food scientist upon graduating from CU Boulder. The financial assistance you provided will be of great help to me in paying my educational expenses, and it will allow me to concentrate more of my time on studying.

Thank you again for your generosity and support. I will work very hard and eventually give back to others, both as a sister of Phi Sigma Rho and possibly a scholarship to future students like myself.”

Philanthropy & Service Scholarship

WENDY HOFFERT

University of Arkansas - Kappa

“Thank you so much for this scholarship! Service and philanthropy is so important to me and I am very honored to have received this award! Volunteering on my campus and in my community allows me to create lasting change! Texas Leadership Scholarship

JAZLYN MARVIN

Texas A&M University - Alpha Phi

“I would like to extend a huge thank you to the Foundation and Phi Sigma Rho for selecting me to be the recipient of this scholarship. My time in Phi Sigma Rho has made me a better leader, friend, mentor, student, and woman. I am

beyond grateful and blessed to be selected, and I know it would not have been possible without the support of my sisters. This scholarship will allow me to finish my collegiate career in Fall 2023 and officially earn a degree in Industrial Distribution from the College of Engineering. Scholarships like these allow me to invest time into my education that would otherwise be spent at a second job. I can not wait to see what the future will hold, and I am eager to bestow blessings such as these upon others when my opportunity to do so arises. From the bottom of my heart, thank you!”

There are many ways to contribute to the members of Phi Sigma Rho. Monetary donations are the most typical, yet that isn't the only way to make an impact!

1 ONE TIME OR RECURRING GIFTS
Give online through our quick, easy, and secure giving platform or give by mail by sending a check or money order addressed to the Phi Sigma Rho Foundation.

2 MATCHING GIFTS
Your employer, or your spouse's employer, may offer a gift matching program. This could match, double, or more your gift. Each company has its own guidelines for gift matching programs, so ask about yours today!

3 VOLUNTEER YOUR TIME
Time is just as impactful as financial gifts. Consider volunteering in a short term or longer capacity to help the Foundation achieve its mission.

5

PLEDGES/ENDOWMENT GIFTS
